TM riders on the podium at the first round of the Enduro Absolute of Italy

It was Started in the best way the absolute of Italy for the TM's riders that gain the top position in the provisional standings.

Best result is that one by the French **Rodrig Thain**, on his debut on the **TM EN 450Fi** with electronic fuel injection, who is on top of the standing reserved for foreign riders followed by Eero, Melotte, **Kadlecek** (on **TM 300**) and only fifth the world champion Mika Ahola.

Rodrig has been immediately fast winning the first special test and being in the fight throughout the race for the class win, yielding just to Belometti, and recording the third position in the overall.

Good race of **Maurizio Micheluz** which brought his **TM EN 250Fi** second in the class behind Oldrati and eleventh in the overall.

Michal Kadlecek, at the debut as **TM** factory rider on a **300 2T**, was very fast making even the overall in three special tests. Second in his class and fourth overall are confirming that may be fats also in Enduro.

Luca Cherubini, **TM-MC** Ostra, did not disappoint the expectations finishing second behind Albergoni and fourteenth overall.

Among young riders we have to report the excellent victory of Federico Peila on **TM EN 125**.
